MAGRATH GOLF CLUB – GENERAL POLICIES AND RULES

On behalf of the staff and Management of the Magrath Golf Club, we thank you for choosing us – your membership matters!

We take great pride in our golf course, our staff and the experiences we provide to our membership and guests. This set of general policies and rules are designed to maximize our member/guest satisfaction both on and off the golf course at all times. We thank you in advance for your cooperation.

**POLICIES**

**1. Pace of Play**

- Recommended pace of play is 4 hours and 12 minutes. This is a guideline and not the rule. We ask that each group keep up to the group ahead and ready golf is encouraged.
- If there is space ahead of your group, allow faster groups to play through. If the course is (busy) full, allowing groups to advance may hurt overall pace of play.
- ***\*\*Any bullying or harassment of a guest group or member group on the golf course will not be tolerated and offending group/individuals will be referred to the Board of Directors for supplemental discipline.***

**2. Check-In of Group/Individuals is Mandatory**

- All golfers are required to check in at the Golf Shop prior to teeing off. This includes any late additions to a group, individual walk-ons or groups that have completed 18 holes.

**3. Member Booking**

- Members may book on the Club Prophet system or via phone for advance tee times up to 2 weeks.

**4. Cancellations and No-Shows**

- Out of respect for your fellow members and our public guests we respectfully ask that any all changes to a group including cancellations are completed a minimum of 12 hours in advance of the booked tee time.
- Cancellations or No-Shows will be closely monitored by the Golf Shop. Abuse of this policy will be referred to the Board of Directors for review and possible supplemental discipline.
